# ARTHROPODS

  
The Good AND THE Beautiful  
CURRICULUM

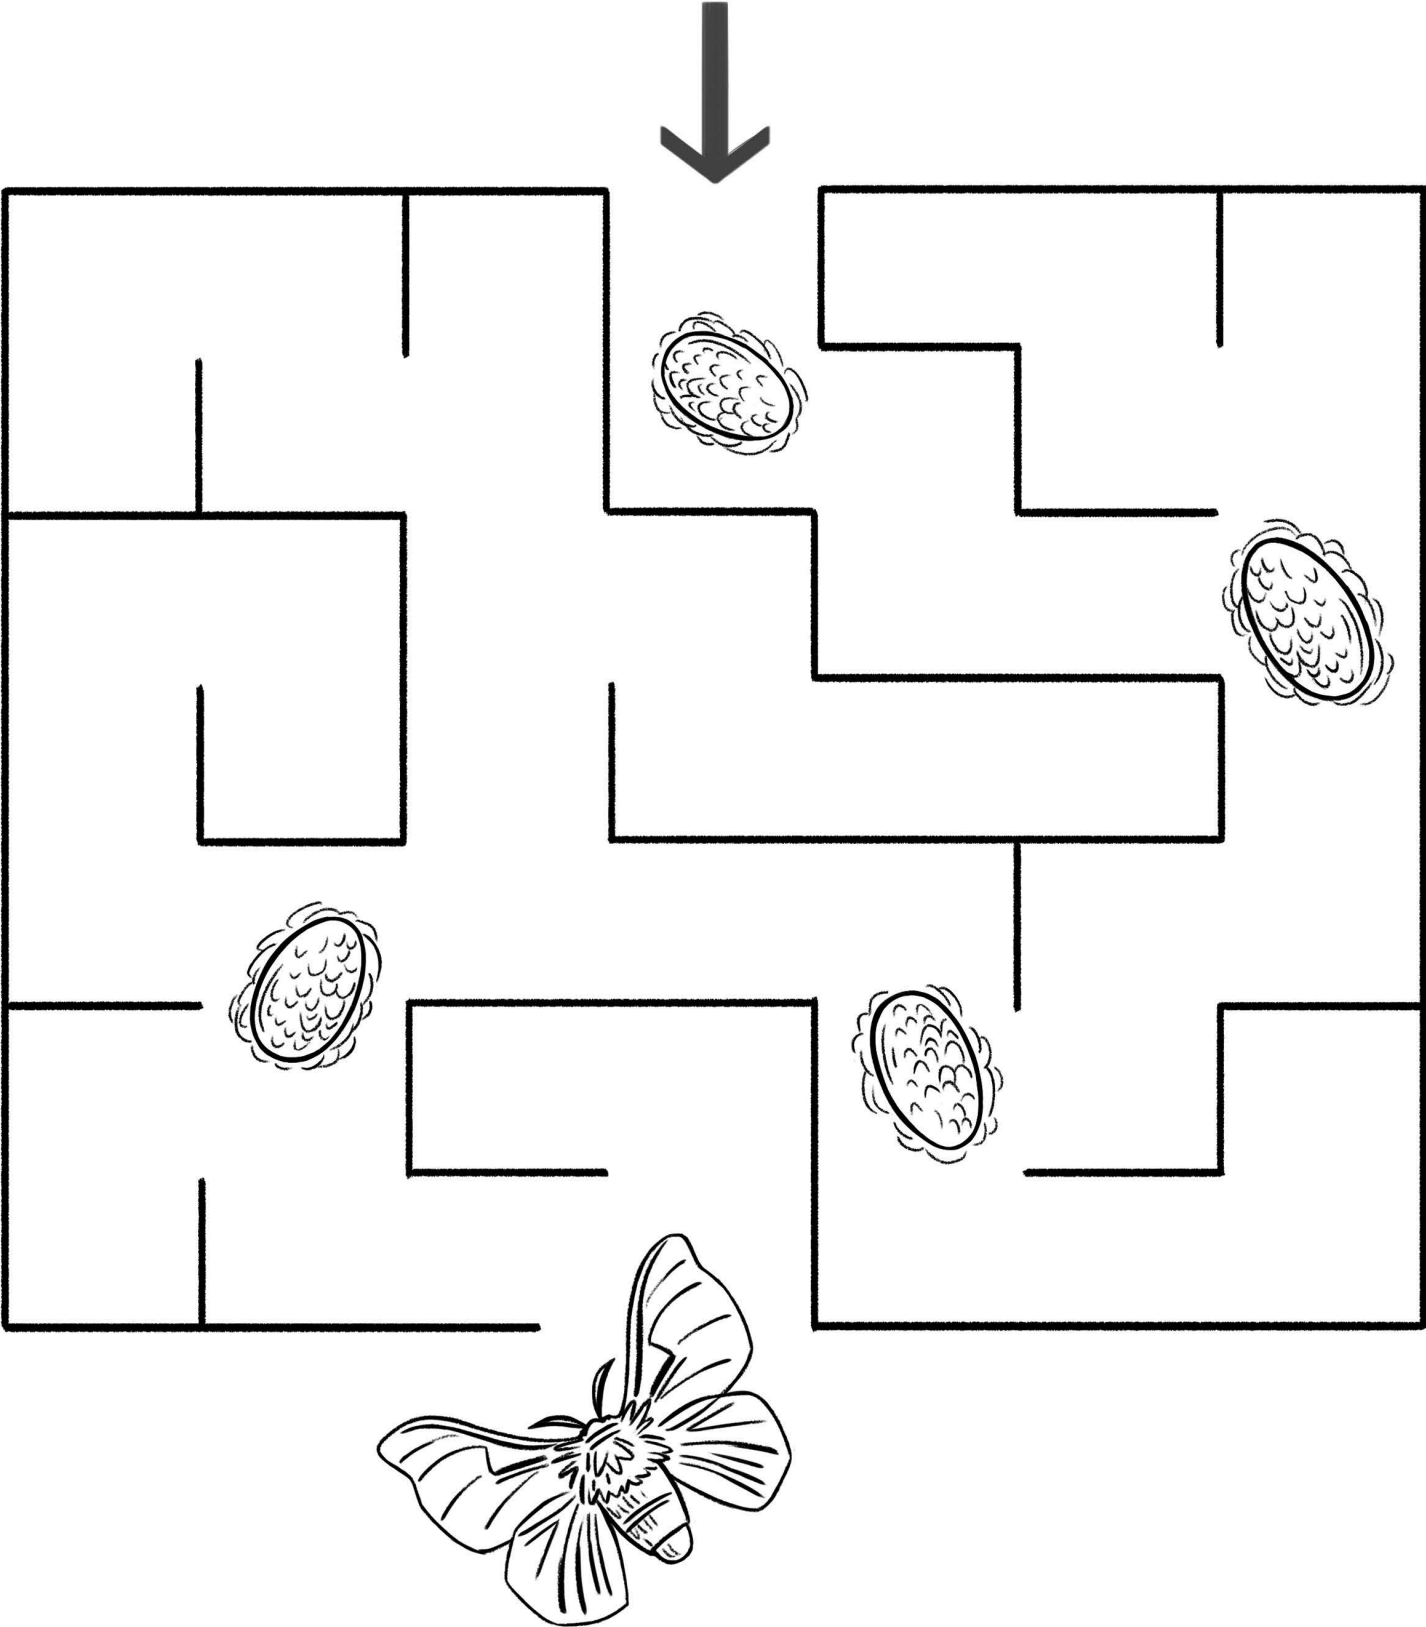

Cross out the items in the small boxes as you find them in each of the large scenes. Color the forest and underwater scenes.

Color sections with a 1 blue. Color sections with a 2 red. Color sections with a 3 green. Parent tip: Color the images of the crayons the correct colors to guide the child.

Complete the maze. Start at the arrow, draw over the silkworm cocoons, and finish at the silk moth. Color the cocoons and moth.

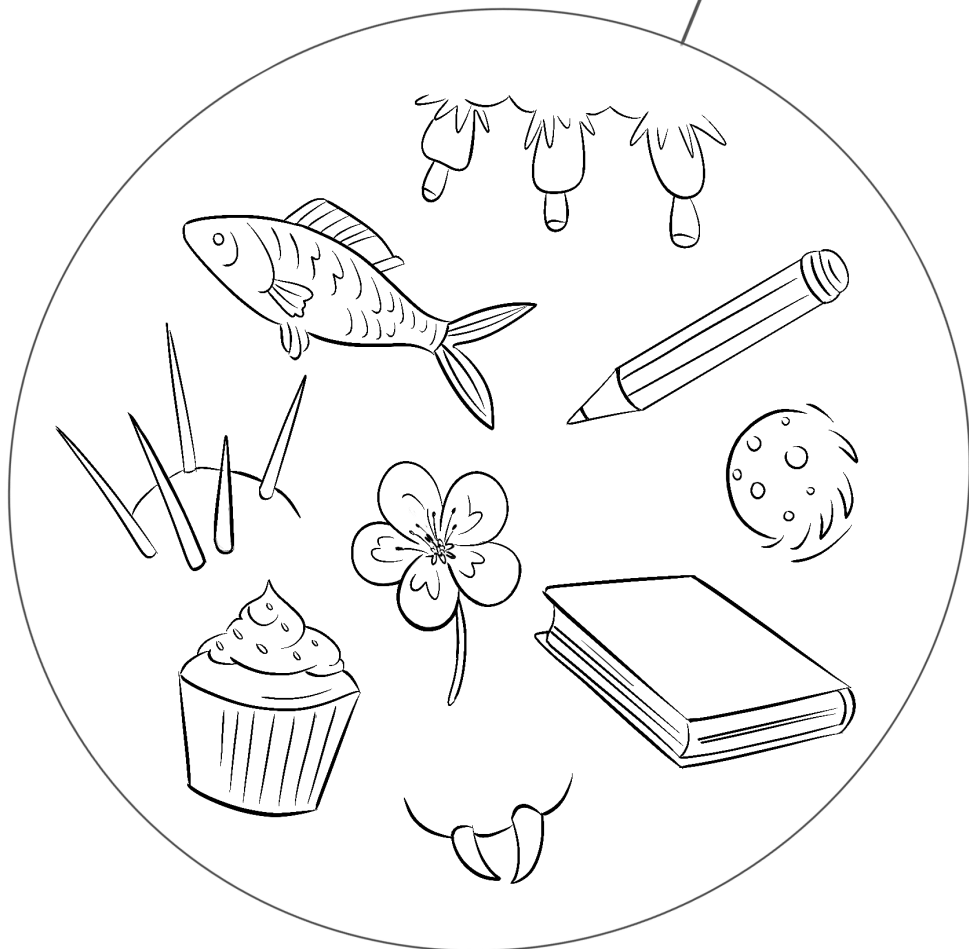

Draw lines to connect the separate honeycomb cells. Color the bee larva, worker bee, queen bee, and honey.

# Lesson 7

The caterpillar below has many defenses. Some of them are shown in the circle below. Color the defenses you see on the caterpillar. Color the caterpillar.

Trace the gray lines to complete the spider's web. Color the creatures.  
Cut out the creatures and tape or paste them onto the web.
